ALTONA GATE OPEN FOR BUSINESS

Tuesday 22 August, 2017

On the way to 50 store, Sandwich Chefs® excitement is building with the opening of another new store at Altona Gate Shopping Centre.

Consisting of a nice balance of residential living and industrial business, Altona is only 13kms from Melbourne CBD and a location Sandwich Chefs® couldn't look past.

Located in the Lower Ground food court, Sandwich Chefs® will soon become the place to stop in for lunch or even pick up a roast dinner on the way home. For coffee on the go or an indulgent afternoon catch up with loved one, we have that covered too.

With so many businesses in the area Sandwich Chefs® can also take the ease out of work meetings and functions with a range of catering offers available.
