

## Sandwich Chefs® re-commit to another season with Melbourne United.

Sandwich Chefs® have recommitted to a second year of sponsorship with Melbourne United after a successful partnership last season.

Sandwich Chefs® are Australia's leading sandwich and carvery bar. With their commitment to supporting communities they are a great fit with Melbourne United.

Sandwich Chefs® support communities by purchasing produce from local Australian Farmers and running free school holiday 'build your own sandwich' programs.

They have a family focus as they invite franchisees to involve their friends and families in the business. With a recommitment to Melbourne United and the grassroots program they can now extend their community reach to supporting community basketball.

Sandwich Chefs® strongly believe that sport has a great capacity to bring people together and are proud to be associated with a great basketball team with similar values. Together Sandwich Chefs® and Melbourne United aim to link schools, community groups, and basketball through sport.

They will be joining Melbourne United at two home games giving away free roast roll vouchers, basketball magnets and clap banners®. They will provide some pre-game entertainment with a free Gif booth with a basketball spin on it. Make sure to swing by Sandwich Chefs® on the concourse on the 19<sup>th</sup> of November 2017 and the 16<sup>th</sup> of February 2018.

They will also be giving away a free roast roll to all home game attendees when Melbourne United score 96 points or more!
