SANDWICH CHEFS TO OPEN 50TH STORE

Sandwich Chefs are excited to announce the scheduled opening of their 50th store in Arndale, Adelaide! Sandwich Chefs will be celebrating with amazing prizes and giveaways including free coffee in store on opening day.

It all started when three great mates walked into a sandwich bar...

This was the beginning of a true story that formed a delicious partnership, driven by the desire to make the kind of sandwiches that people can't make at home. After lots of questions and even more taste tests, they opened their first of many Sandwich Chefs stores. The trio don't always agree on how to do things, except for when it comes to making sandwiches properly. This includes having fresh local produce delivered daily, sourcing artisan bread and making as much from scratch as possible including 14 hour slow-roasted pork and crackling.

With the 50th store about to open and more stores to open before Christmas, Sandwich Chefs is coming to a Shopping Centre near you.
